Where is Your Beginning? What is Your Purpose?

The Ancient Ones began our family's life on this planet with a very clear purpose. The ensuing lifetimes of subjugation, survival, conflict and despair took a great toll, and the Divine plan receded into the mists.

Finally, our story is told through Myra and Tuma, Dana and Jerra. Our mission emerges Out of the Shadows.

Bio:

Sharon Riegie Maynard began working in the unseen energy worlds in 1971 as a telepathic communicator. What she learned as she asked questions of her Spiritual teachers is the basis of her extensive career.

Her focus has been on learning the cause of humanity's pain and what is necessary to transform it. Her goal was to restore her clients and students to their Divine harmonic. Her classes, workshops and personal sessions have helped thousands around the world.

She is the author of two books. *The Ancient Ones, The Mission Remembered* was published in 1995. *The Ancient Ones, Out of the Shadows* launched on September 15. In addition, she has published a booklet series, *It All Begins in Energy* which addresses social constructs that arise from our original Earth woundings.

She teaches classes, presents workshops, works with individuals and groups and has an online talk show, *It Begins in Energy* to discuss her work. Sharon also is host of an online radio show, *Weaving the World*, hosted at www.womensradio.com.

Recommendations:

I am a transpersonal psychotherapist and utilize a variety of techniques in my practice. I find that some of the most profound workshops I attend always remind me that Sharon was teaching these same concepts years before. I feel I gained a solid foundation in my spiritual work and beliefs as a result of her trainings. They have certainly withstood the test of time.

Her classes, workshops and personal sessions have helped thousands around the world. M.R
